Wooden bars (set of 10) for grinding benches

(Page: 1 for product 819194)

*Description***Product No.: 819194**

Wooden bars (set of 10) for grinding benches

The wooden bars (quality Multiplex board) can be attached to the existing iron slats on your TEKA grinding bench.

In just a few simple steps you can create a wooden support for your TEKA grinding bench.

The set includes 10 wooden bars (for a table width of 500 mm).
