Product No.: 96313321

Description

On/off switch via suction hood

With the **TEKA on/off switch via the extraction hood**, you switch the extraction system on and off directly at the hood of the extraction arm. The switch combination is pre-assembled.

Important

Initial equipment only, i.e. together with a new mobile or stationary TEKA system.

Our overview page shows more solutions for welding fume extraction. Free shipping.
