Filter cartridge, type easy clean plus

Cylindric filter cartridge for horizontal and vertical assembly with integrated inner support basket.
Type "Easy-Clean-Plus", filter surface 12,5 m², dust category M

We recommend the additional use of the filter protection type PRE.

This coating process ensures reliably longer service life times of the filter cartridges and their cleaning characteristics are significantly improved.

Approx. 10 g of the PRE powder are required per 1m² of filter surface to coat the filter cartridges.

Properties

Filter surface (m ²):	12,5
