Product No.: 56819201500

Description

Manual cutting table 1,500 x 850 x 810 mm (WxDxH)

Are you looking for the ideal solution for manual flame cutting in your training, teaching or workshop?

Our innovative hand cutting table is the answer! Thanks

to the workpiece clamping device with foot mechanism, you have both hands free for maximum precision and flexibility when cutting.

The ergonomic sheet steel construction guarantees safe working comfort, stability and a long service life – ideal for the tough everyday training environment.

The integrated slag drawer allows you to dispose of residues effortlessly. Thanks to the extraction opening (NW 200 mm), the table is perfectly prepared for connection to your central extraction and filter system.

Properties

Intake opening (mm):	NW 200 – left or right side
Required air volume (m³/h):	1,800
Width (mm):	1,500
Depth (mm):	850
Height (mm):	810
