

CARTMASTER

The suction and filter unit

for extreme cases

Suitable for all materials

Fully automatic filter cleaning

Especially for AIR recirculation = lower heating costs!

2x as good!

The CARTMASTER is also available with two arms, two cartridges and double power!

If you are unwilling to make any compromises:

CARTMASTER

Top quality - Full-automatic cleaning via POWER SPRAY SYSTEM

- 1) Recirculation mode saves heating costs (see also <http://rechner.teka.eu>)
- 2) Hardly any follow-up costs because of self-dedusting filter cartridges
- 3) Suitable for almost every material

TEKA

www.teka.eu

You won't find a better mobile suction unit!

Also available for wall-mounting!

Comes with one or two suction arms!

The suitable device for any application!
